PETERSON ALUMINUM PAINTED SHEET STEEL

Commercial Quality Galvanized Steel Sheet Primed Both Sides and Painted One Side with Kynar 500 Fluoropolymer Coating. An Acrylic Wash Coat is Applied to the Back Side for Additional Protection. The Painted Surface is then Masked with a Plastic Strippable Film for Protection During Fabrication. PAC-CLAD 20 Year Paint Warranty is Available on Request. Warranty covers Peeling, Color Fade, Chalking and Paint Integrity.

Excellent for use in general sheet metal building applications including fascias, copings, roof edges, gravel stops, flashings, store fronts or special effects where a painted metal sheet is required.

Colors available include Dark Bronze, Medium Bronze, Slate Gray, Matte Black, Mansard Brown, Arcadia Green, Sandstone, Military Blue, Terra Cotta, Forest Green, Musket Gray, Interstate Blue, Colonial Red, Sierra Tan, and Stone White, in both smooth and stucco embossed textured finishes.
